

Companion Campaign - *Fund a Day*

Red Deer Hospice is dedicated to providing enhanced end-of-life care to individuals who are dying and their loved ones. Our **Fund a Day** campaign is one way for individuals, groups, or businesses to contribute to the care of a terminally ill person.

Care costs at the Red Deer Hospice are not covered by Alberta Health Care. There is no set fee to stay at the Hospice and no one is ever denied care due to financial situations. A portion of our operational costs is covered through an agreement with the David Thomson Health Region however, as a not for profit society we depend primarily on donations and fundraising efforts to meet our projected annual operational budget of over \$1 Million (\$285/bed/day**). A gift of \$25 per month, or a one time gift of \$285 to support the costs of one persons' care for a day will help our budget and make compassionate end of life care in central Alberta a reality.
